The Shearer & Givens children

The days Ice Cream Social featured a "Sugar Plum Ice Cream Sundae" which was well attended with the proceeds used to fund future events and provide park improvements throughout the year.

Santa surprised us with a visit and even took a spin through the campground on his trusty golf cart. There was a Christmas craft session at 3 pm where children made a Candy Cane tree ornament. A few parents also sat down and became creative as they enjoyed some family time with their children.

The Friends of Punderson group is looking forward to having the first annual "Christmas in July" next year.
