Part 2 - Optional ACE fund

Time - during both rounds

Format - The first person to get an ACE (hole in one) wins the money. If two or more people get ACEs, the money will be divided evenly between them. All persons in the group must agree that the shot was an ACE for money to be awarded.

Entry fee - \$1 per person

Payout - we will cap the ACE fund at \$100 and start a subsequent ACE fund if it is not won. Any ACE fund money not awarded by the time of our Fall Tournament will be absorbed into the course.

If the weekly event continues beyond the fall tournament, the ACE fund will continue to be available to win.

We plan to run from Memorial Weekend through Labor Day weekend

BUT, if interest and participation are strong we may continue indefinitely.

Purpose:

To gain funds or sponsorship opportunities for improving/completing the course while building a friendly group of disc golfers to promote disc golf in the Punderson region.
